Hist.Urban

Integrated revitalization of historical towns to promote a polycentric and sustainable development

National Conference in Chisinau (Moldova) "The importance of revitalisation of historical towns" in December 2007

TELEACCESS

Creation of telecenters to support learning, entrepreneurship and access to IS, in isolated areas

Bridging the gap between Member States and Third Countries needs ...

... Clear national positions / contributions

... Common transnational objectives

... Clear division of tasks + responsibilities

... Objective driven approach

... and a vision and commitment
