The job of Project Expert

As project expert you will be responsible for various ESPON projects. These ESPON projects can include research activities and territorial analyses for stakeholders as well as observation and monitoring activities. Your role will be also to contribute with delivery of data and maps for analyses produced by the ESPON EGTC. Your work will also include communication and outreach activities such as involvement in the drafting of ESPON publications and in analytical activities within the ESPON EGTC.

As part of your key tasks, you will have to:

- Design and implement research activities with stakeholders;
- Maintain and develop the EGTC's geographic information infrastructure and produce maps.
- Contribute to development of the EGTC online tools and provide user support.
- Promote EGTC cooperation on spatial data with European and national structures.
- Organise outreach activities, seminars and workshops;
- Manage project contracts coupled with a Financial Expert.
- Prepare ESPON publications in cooperation with other colleagues.

The post as Project Expert will in organisational terms be assigned to the Unit on Evidence and Outreach.

Which qualifications are required for the post?

You carry an advanced University degree (Master's or equivalent) in geography, spatial/urban planning, European studies, regional economics.

You have preferably 3-5 years of relevant work experience, related to territorial development, regional policy and/or spatial planning.

Proficiency in territorial analysis and knowledge and practical experience related to statistics, data management, web applications, information technology and/or you have knowledge and practical experience of GIS software (including ArcGIS solutions) would be an advantage.

Candidates with less work experience may also be considered if sufficiently convincing skills and competences are present.

Your ability to communicate in English is at high level in order to support the challenging task of communicating applying research and analytical results into the policy arena and promote that results are taken up at different administrative levels.

Applying for the post

The application shall include, in English language:

- A motivation letter expressing the motivation and expectations as well as the qualifications and experience in relation to the post.
- A curriculum vitae (preferably in Europass format) including the main details of the professional experience and educational background as well as the personal and language skills.

In case of selection for the post the presentation of certified copies of degree/diplomas will be required.

If you want to apply for the vacant post please **send your application including your CV by e-mail to recruitment@espon.eu indicating Project Expert in the subject line of the email.**

The deadline for submitting your application is **20 March 2020**.

Selection procedure

The ESPON EGTC will establish a Selection Board, which will invite the most qualified candidates for an interview. All interviews will take place in Luxembourg and are planned to be organised in March/April 2020. The ESPON EGTC applies the principle of equal opportunities.

Conditions of employment

You will be offered a full time (40 hours/week) fixed-term employment contract (contract à durée déterminée) of 18 months, with a possibility to extend if necessary and respecting the provisions of relevant national legislation.

A competitive salary will be paid with regard to your experience.

The ESPON EGTC is serving a pan-European programme which is mirrored in the composition of staff. At the ESPON EGTC, you will work with colleagues from different countries in Europe and be part of a multi-cultural working environment which favours cooperation and team work.

What is the ESPON 2020 Cooperation programme?

The ESPON 2020 Cooperation Programme aims at promoting and fostering a European territorial dimension in development and cooperation by providing evidence, knowledge transfer and policy learning to public authorities and other policy actors at all levels.

The mission of ESPON 2020 is to continue the consolidation of a European Territorial Observatory Network and grow the provision and policy use of pan-European, comparable, systematic and reliable territorial evidence.

The objective of the ESPON 2020 Cooperation Programme is to support the reinforcement of the effectiveness of EU Cohesion Policy and other sectoral policies and programmes under European Structural Investment (ESI) funds as well as national and regional territorial development policies, through the production, dissemination and promotion of territorial evidence covering the entire territory of the 28 EU Members States, as well as 4 Partner States of Iceland, Liechtenstein, Norway and Switzerland.

The ESPON 2020 Cooperation Programme has a budget of EUR 48 million for the period 2014-2020 which is financed mainly by the European Commission, as well as by the 28 EU Member States and 4 Partner States, Iceland, Liechtenstein, Norway and Switzerland. Luxembourg is the seat of the Managing Authority.

What is the ESPON EGTC?

The ESPON EGTC is a European Grouping for Territorial Cooperation and has been established to deliver the content envisaged by the ESPON 2020 Cooperation Programme.

What is the mission of the ESPON EGTC?

The ESPON EGTC is the Single Beneficiary of the ESPON 2020 Cooperation Programme established to implement:

- Applied research projects on themes defined by policy demand where the European process needs better information and evidence.
- Targeted analyses in cooperation with stakeholders from national, regional and local authorities as well as other programmes under European Structural and Investment Funds and European Macro-regions.
- Observation and monitoring of territorial trends and dynamics within Europe as a basis for policy consideration covering the entire European territory, its regions and cities as well as European Macro-regions and cross-border entities.

- Development and maintenance of a “toolbox” relevant for information and use of the territorial evidence base for policy making including data and indicators in the ESPON Database as well as tools for territorial analyses, urban benchmarking, mapping etc.
- Outreach activities at European level as well as in the transnational and national contexts in order to promote the European perspective of territorial development and cohesion.

As an important element in the renewal of ESPON, the ESPON EGTC has been equipped to serve ongoing policy processes upon demand to deliver rapid analytical responses such as short papers, policy briefs, etc. based on the ESPON evidence base. At the same time, the ESPON EGTC is as a legal entity bound to a sound management and implementation of its activities.

The ESPON EGTC currently employs 22 people within two units:

- Unit for Evidence and Outreach devoted to the evidence production and outreach activities to be implemented as part of the Single Operation;
- Unit for Administration and Management responsible for financial, legal, administrative and human resource issues of the ESPON EGTC.
