

Circular Economy perspective of Slovenia

new governance models and partnerships

Janja Kreitmayer McKenzie, Secretary
EU Coordination and International Affairs Office
Ministry of the Environment and Spatial Planning

KROŽNO GOSPODARSTVO SLOVENIJE
CIRCULAR ECONOMY OF SLOVENIA

Setting the scene 2014

Framework Program for Transition to a Green Economy

Adopted by the Government of the Republic of
Slovenia, October 2015

1. Decision for a common goal
2. Framework for starting the process

➔ **Circular models as a priority**

Shared responsibility - defining and communicating the roles...

State

Connecting policies
Improving legal frameworks
Support through financial mechanism

Partners

Implementation of circular production principles
Implementation of circular business models
Transfer of knowledge and best practices

Four Pillars of Activities

Partnership for a green economy

LINK POLICIES, STEER
MEASURES TOWARDS
GREEN (common solutions
for green growth)

STRUCTURED DIALOGUE
(linking solutions,
establishing partnerships,
awareness-raising)

EDUCATION AND
TRAINING
(raising competences)

EXAMPLES OF BEST
PRACTICES (verifying
solutions, enhancing links)

COMMUNICATION AS A KEY STRATEGY

New governance structure

PARTNERSHIP BTW GOVERNMENTAL SECTORS

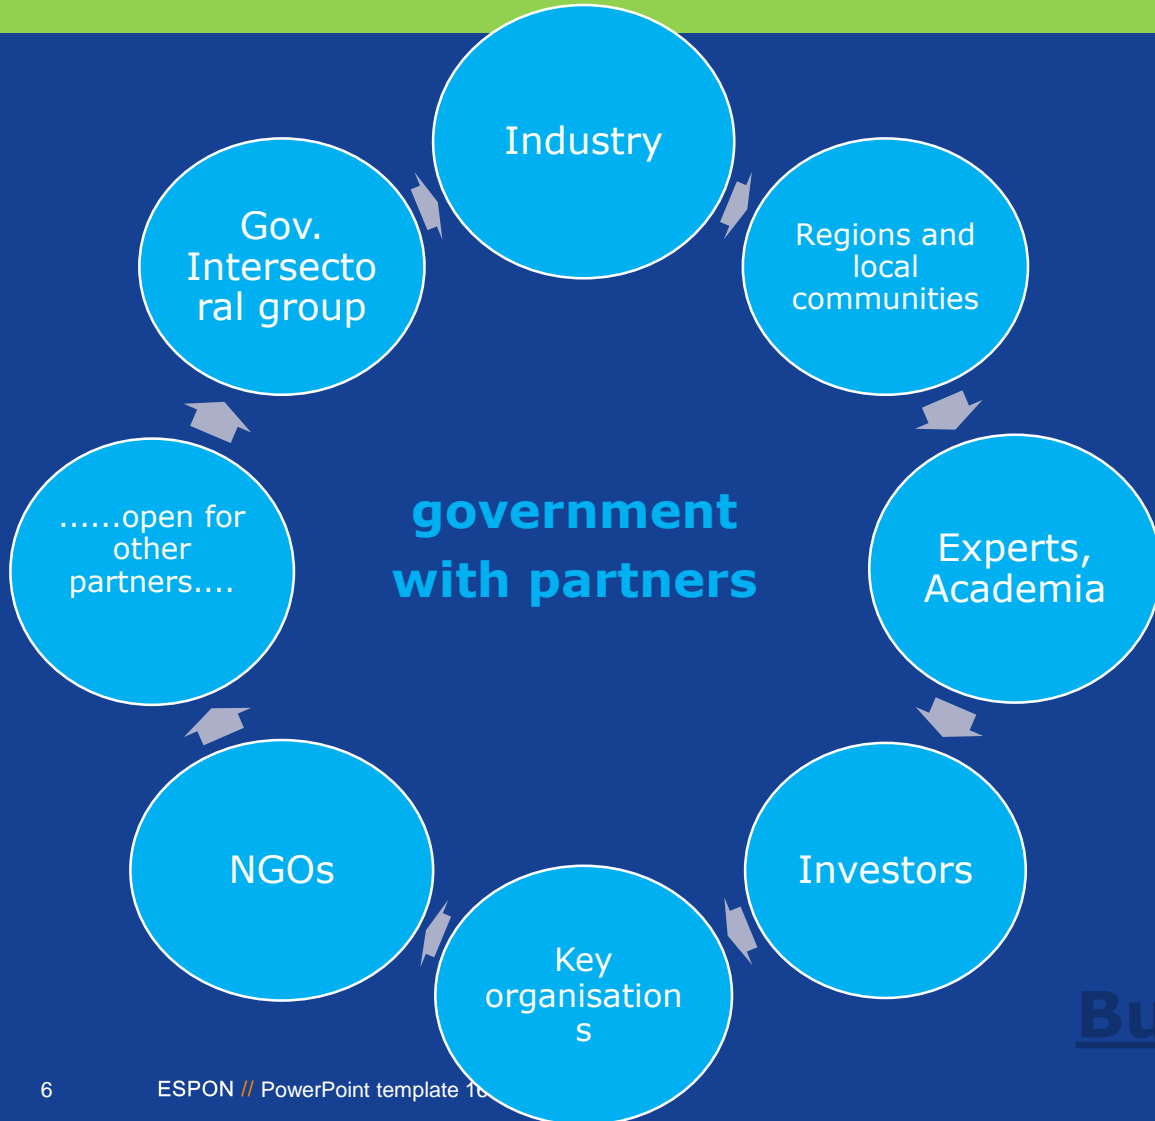

INTERSECTORAL GROUP - core ministries:

**Environement,
Economy, Agriculture,
Infrastructure,
Developement,
Finance,
Foreign affairs,
Public administration**

Decision level (state secretaries + 1-2 assigned experts)

New governance structure

PARTNERSHIP BTW GOVERNMENT AND STAKEHOLDERS

.....more than 2000 partners

Businesses and **Cities** as Key Enablers

CIRCULAR CITY GOVERNANCE

Circular City Portal

- Roadmap to a resource Efficient City
- Urban Resource Centers
- Circular City Funding Guide
- Circular use of space
- Circular City Indicators
-

Dialog with all stakeholders

Working on the ground

Over 100 best practices mapped

ROADMAP

towards the circular economy in

SLOVENIA

Implementation: program for connecting different policies' measures and set up a permanent base for a systemic change

Cooperation: Knowledge Platform for working together in Slovenia, in the region, Europe and Globally

Co-financed by the European Regional Development Fund

Inspire Policy Making with Territorial Evidence
